I'm going into 9th grade of a highschool. In my freetime I love to do music. I've been playing the flute for 4 years and the piano for 6 years. Also I'm joining our school-choir. Around the year we have several concerts. Always a lot of fun. Besides music I love to do sport. I'm part of a danceteam. Especially in the carnaval-season (for us the 5th season) we have a lot of performances with big ordiances. It's always exciting getting ready for those peformances with all the costumes, make up and lots of glitter. Also I'm part of a canuing club. Although I used to do it much more last year, I still enjoy going on to the water. As you can see I'm a good teamplayer and get along with a lot of people. In my freetime I like to hang out with friends or just stay at home and have a day to relax. I really looking forward to my year abroad because I always wanted to go to America and visit the life of a high school. I would hope to have an unforgattable time in America and I would love to meet a new family from another country.</p> <p>I hope to see you soon!</p> <p>Henriette</p>

Dear family,

our daughter Henriette is a young joyfull and open minded girl. She goes into 9th grade and likes to meet up with her friends. In her free time Henriette likes doing music. She plays the flute and the piano, sings in a school choir and is also very interested in modern music. Besides music she also does different kinds of sports like dancing, canuing, sometimes tennis or going for a run. In the household Henriette is very activ in the kitchen. She likes to cook and to make cakes, although we sometimes disagree on who has to clean it up;-). As you can see Henriette is interested in multiple kinds of activities. She is a helpfull person and always cares about the well being of others. Although Henriette is a selfconfident girl she has a sentimental side and sometimes struggles with herself because the opion of others about herself has a high meaning for her.

I hope that Henriette fits into your family and that you will have a joyfull year together.
